

Create a Guild Project (20pts) Performance Based

- You can complete this project alone, or in a group of two.
- You will create a medieval guild based on one of these professions.
 - (Butcher, Baker, Magician, Blacksmith, Carpenter, Lawyer, Midwife (people who aid in child birth), or city-guard.
- You are creating a flyer or brochure that is attempting to convince people to join your guild and take up your profession.
- You can include anything else that you would like, these are the guidelines and are the BARE minimum.
- Remember you are creating a RECRUITMENT flyer, so you are actively trying to get people to join your guild.

Please include the following; Year is 987, you can make up a town name.

Name of the Guild

Name of the Guild Master

Guild Symbol

Typical Jobs an Apprentice will do
