

The Odyssey or The Iliad Comic Strip (25pts)

Using the packet given to you yesterday as a reference you will create a detailed comic strip (16 frames) that depicts EITHER the Iliad, or The Odyssey.

Your comic strip must be colored and have a minimum of 1 sentence in each frame, these sentences can either be characters talking or a descriptive sentence.

The Example to the right is a comic with 7 frames, that utilizes both text bubbles and descriptive bubbles.

If you do not wish to create a comic strip you may write a 1pg summary of BOTH the Iliad and The Odyssey as an alternative assignment.
