

The Enlightenment Thinkers – Children’s Story Book

(30pts Performance Based)

• You will create a booklet going over the following enlightenment thinkers/ideas.

1. Title Page (Include name here)
2. Table of Contents
 1. What is a Philosophe?
 2. John Locke
 3. Montesquieu
 4. Voltaire
 5. Diderot
 6. Adam Smith
 7. Beccaria
 8. Rosseau
 9. Mary Wollstonecraft

Directions:

You will create a book for children (grades 3-5). This book will explain who these enlightenment thinkers are, and what they accomplished.

DO NOT JUST COPY DOWN OUT OF THE BOOK, write it in a way for young students to understand. Failure to follow this will be a 50% grade reduction.

Each page in your book should have a description of the thinker/their achievements and a picture.

Use 3 Half sheets folded together to make a book. Use color pencils markers will bleed through.

3-5 Sentences for each person + Picture (write small)

If you have another way you would like to make it, that is fine. As long as all directions are followed.
